The Maintenance Association shall be vested with fee simple ownership of said Common Areas and access rights to landscape easements. The Maintenance Association shall have the right and obligation to own and maintain said Common Areas and landscape easements for the exclusive benefit and enjoyment of the Members of the Maintenance Association in full compliance with the Ordinances of the Village of Frankfort and to be esthetically pleasing to all of the Owners of Lots in the Lakeview Estates Subdivision. The areas to be maintained shall include detention areas, landscape buffer easements, landscape islands, cul-de-sacs, etc., as depicted on the Plat of Subdivision.

(b) **Membership.** Every person or entity, including the Developer, its successors and assigns, who is a record Owner of a fee interest in Lots 1 to 240 inclusive of the Lakeview

(c) **Voting Rights.** The Maintenance Association shall have only one class of voting membership. Each Lot, regardless of the number of Co-Owners, shall be entitled to one vote on any issue before the Maintenance Association.

(d) **Powers of the Association.** The Association shall have the following powers:

1. To elect Directors, to appoint Officers, to hire employees or agents and to enter into Contracts as the Association deems necessary from time to time. The powers of the Maintenance Association shall be vested in its Board of Directors, which at all times shall be comprised of not less than three (3) Directors. The Directors shall have all powers of the Maintenance Association not specifically reserved to the Members of the Maintenance Association which are permitted by the Laws of the State of Illinois.
2. To own Common Areas in the Lakeview Estates Subdivision and to pay ad valorem taxes as may be assessed from time to time for said Common Areas.

Maintenance shall include replacement of vegetation (as originally designated on approved landscape plans) lost or damaged after original warranty period.
5. To levy and collect assessments against the Members and to this extent to lien any and all Lots 1 to 245 when necessary to enforce the collection of assessments.
6. To adopt reasonable by-laws, rules and regulations necessary and proper to carry out the powers and duties of the maintenance Association.
7. It shall be the obligation of the Maintenance Association to maintain the landscape areas and grass areas in a clean and orderly condition, all in accordance with the Ordinances of the Village of Frankfort.

8. Until such time as the Developer ceases to be the Owner of any Lot in the Lakeview Estates Subdivision, the powers and duties of the Maintenance Association shall be under the exclusive control of the Developer. The Developer, however, shall have the right at any time to turn the control of the Maintenance Association over to the Members of the Maintenance Association upon not less than 30 days notice in writing addressed to each Member of the Maintenance Association.

(e) **Village of Frankfort Common Areas Lien Rights.** In the event the Association or an owner does not comply with the terms of these covenants, or any of the obligations set forth herein, upon twenty-one (21) days' notice, the Village of Frankfort shall have the right, but not the obligation, to enforce these covenants. Any actual funds that the Village expends or costs that the Village incurs in enforcing or complying with the terms of these covenants, including but not limited to reasonable attorneys' fees, shall be reimbursed by the non-complying party. The Village shall have the right to lien the property of the non-complying party and enforce said lien to the full extent allowed by law, including but not limited to foreclosure of the same.

**(F) MAINTENANCE RESERVE FUND**

- (1) At the time of the initial closing of the sale of any lot or lots and/or the resale thereafter, the Lot Owner shall make a non-refundable non-transferable deposit of Two Hundred (\$200.00) Dollars into a maintenance reserve fund to be established at a banking institution with offices in the Village of Frankfort. Said bank shall agree to be bound by the terms of this section of these covenants by noting the same, including the recorder's document number, in the account records. In addition to all rights set forth herein, the Village of Frankfort shall be entitled to be fully and immediately reimbursed for any and all costs incurred under any of the terms of these covenants including but not limited to those set forth in Section 24 hereof, by presenting the following to the banking institution:

- (i) A letter setting forth the nature of the default of the Association, which includes an itemized list of the costs to be reimbursed.
- (ii) A statement that a demand for payment has been made upon the Association, and the Association has not paid the amount due.

Upon presentation of the foregoing, the banking institution shall treat this notice in the same fashion as a draw on a Letter of Credit (and this matter shall be governed by the rules applicable to a Letter of Credit) and shall promptly make payment to the Village in accordance herewith.

- (2) At no time shall the monies held in the maintenance reserve fund exceed the sum of One Hundred Thousand (\$100,000) Dollars. In the event the fund reaches this sum, the excess shall be turned over to the Maintenance Association.
- (3) In the event the funds held in the maintenance reserve fund are insufficient to reimburse the Village for any and all of its costs associated with its required maintenance, each lot owner shall be liable and responsible for the shortfall. The Village shall have the right to place a lien on any or all of the lots in the subdivision, and to foreclose on said lien as if said lien is a mechanic's lien as defined by Illinois Statute.
- (4) The Maintenance Association shall provide to the Village of Frankfort an annual report on the status of the Maintenance Reserve Fund.

(25) ACCEPTANCE BY GRANTEES

A. Each grantee of a Lot in this Subdivision, by the acceptance of a deed conveying any Lot in this Subdivision, shall accept title thereto upon and subject to each and all of the covenants, conditions, restrictions, reservations, equitable servitudes, grants and easements herein contained, and by such acceptance shall for himself, his heirs, personal representatives, successors, assigns, grantees and lessees, covenants and agree to and with the grantees and subsequent Owners of each said other Lots, to keep, observe, comply with and perform said covenants, conditions, restrictions, reservations, equitable servitudes and grants.

B. The covenants, conditions, restrictions, reservations, equitable servitudes, grants, easements and set back lines herein contained and created in Paragraph A (all of which may hereafter be referred to as the "restrictions") shall be considered as appurtenant to and running with the land and shall operate for the benefit of the Developer, its successors and assigns and all of the Lots in the Subdivision and may be enforced by the Owner or Owners of any Lot in said Subdivision, or the Village of Frankfort, or by the Developer, its successors or assigns. A violation of the restrictions herein contained shall warrant the Developer, its successors and assigns or any other Lot Owner(s) benefiting thereby to apply to an court of law or equity having jurisdiction for an injunction to prevent such violation or for damages or other proper relief, and if such relief be granted, the Owners shall pay all court costs and reasonable attorneys' fees of the Developer, or other Lot Owners, or the Village of Frankfort seeking relief. No delay or omission on the part of the Developer, or their successors or assigns in interest, or the Owner or Owners of any other Lots in said Subdivision, or the Village of Frankfort in exercising any right, power or remedy herein provided for in the event of any breach of any of the restrictions herein contained, shall be construed as a waiver thereof and acquiescence therein; and no right of action shall accrue nor shall any action be brought or maintained by or on account of the failure or neglect of the Developer, its successors or assigns, to exercise any right, power or remedy herein provided

for in the event of any such breach, or for imposing any of the restrictions herein on account of the failure or defect of the Developer, or their successors or assigns to exercise any right, power or remedy herein provided for in the event of any such breach, or for imposing any of the restrictions herein. In the event any lawsuit is filed by an Owner against the Developer, the person so filing the lawsuit shall be liable for all costs and attorneys fees and other expenses of said case incurred by the Developer including the expense of expert witnesses. The restrictions herein shall continue for ten (10) years from the date of recording, at which time they shall continue for successive periods of ten (10) years unless by a two-thirds (2/3) vote of the Owners of the Lots in said Subdivision at the beginning of each successive ten (10) year period they are amended or revoked.

At any time, and from time to time, while these restrictions are in effect, they may be amended or revoked by the recording (in the office of the Recorder of Will county, Illinois) of any instrument declaring such amendment or revocation, which instrument shall be signed either by the Developer (or its successors assigns) or by the then Owners of not less than two-thirds (2/3) of the Lots in said Subdivision, which declaration shall set forth such amendment or revocation of the Lots in said subdivision, which declaration shall set forth such amendment or revocation and shall be effective from and after the date of its recording; provided, however, that if the Developer or its successors and assigns shall hold legal title to any Lot or Lots in the Subdivision, then an amendment or revocation signed by not less than two-thirds (2/3) of the Owners of such Lots must also be signed by Developer or such amendment or revocation shall not be valid. A certificate signed and acknowledged by the Recorder of Will County or by an abstractor or title company doing business in Will County that any such instrument of amendment or revocation has been signed by the then Owners of not less than two-thirds (2/3) of such Lots shall be deemed prima facie evidence that such instrument has been signed by the Owners of the required number of Lots. No certificate of any sort shall be required if such amendment or revocation shall be signed by the Developer or its successors and assigns. In the voting provided for herein and in making amendments and revocations to this Declaration, each of said originally platted Lots shall be deemed a unit and the Owner or Owners thereof shall be entitled to one (1) vote and shall count as one Owner in determining the number of votes and Owners. Notwithstanding the above paragraph, the Owners shall not, in any case, amend or revoke Section 24 of these covenants and restrictions.
